Summary of reasons for decision:

The availability of the computer image file is restricted to persons who have attained the age of 18 years because it is a close-up image of a naked young woman displaying her sexual parts. Because of the explicit sexual nature of the image, the file requires restriction to adult viewers only.

The classification given to this publication places a limit on the freedom of expression as set out in the New Zealand Bill of Rights Act 1990, but the availability of the file to children and young people is likely to be injurious to the public good. The classification is reasonable, demonstrably justifiable and the minimum required to avoid injury.
